

DERMEDICS™ Deep Line Corrective Serum

Deep Line Corrective Serum in roll-on is created for intensive topical regeneration of the damaged extra-cellular matrix and for deactivation inflammation which is responsible for tissue degradation.

ECM = acronym from: **E**xtra-**C**ellular **M**atrix.

ECM is a network of non-living tissue that provides support to cells.

The term “extra-cellular” literally means “outside the cell” - which explains where the matrix is located.

Overview

- Rebuilds deficiencies in the structure of the skin
- Stimulates synthesis of collagen, elastin and fibronectin
- Re-volumizes the structure of extra-cellular matrix (ECM)
- Supports extra-cellular matrix in binding tissue together
- Improves architecture of elastic fibres
- Improves resistance to gravity
- Reduces topical wrinkles and scars

Home use

- Daily skin care of face and eye area (topical use)
- Unisex: for women and men, for skin of all types
- Topical post-acne scars and other topical scars
- Topical deep wrinkles and lines:
 - Frown lines
 - Crows' feet
 - Nasolabial folds
 - Marionette lines

Active Ingredients

Lipodipeptide Tyrosyl-Arginyl + Rutin + Palmitoyl Oligopeptide + Palmitoyl Tetrapeptide-7 + Phaseolus Extract (Green Bean) + Mannuronate Silanol + 50 kDa Hyaluronic Acid

Packaging:

15ml - retail size for home care only

Hypoallergenic | Paraben Free | Fragrance Free
Alcohol Free | Colourants Free | Allergen Free
Free of Epidermal Growth Factors (EGF)
